DETAILED ACTION

Re: Papathanassiu, A

1. The amendment filed 6/4/2007 is acknowledged and entered into the record. Accordingly, claims 8,10,12, and 18-20 are canceled without prejudice or disclaimer.
2. Claims 1-7, 9,11, and 13-17 are pending, claims 1-6 are withdrawn as being drawn to a non-elected invention.
3. This application contains claims 1-6 drawn to an invention nonelected without traverse in paper filed on 4/21/2006. A complete reply to the final rejection must include cancellation of nonelected claims (i.e. claims 1-6) or other appropriate action (37 CFR 1.144) See MPEP § 821.01.
4. Claims 7,9,11, and 13-17 are examined on the merits.

Claim Rejections Maintained - 35 USC § 112, 1st paragraph

5. The rejection of claims 7,9,11, and 13-17 under 35 USC § 112, 1st paragraph is maintained for the reasons of record. Applicant has not filed any response to the rejection of record. The claims as currently pending still recite "antibody binding fragment" which the instant specification is not enabled. It is noted that applicant may overcome the rejection by amending the claims to recite an "antigen binding fragment" as supported on page 5, lines 23, for example.

Therefore, the rejection of claims under 35 USC § 112, 1st paragraph is maintained for the reasons of record.

Conclusion

6. No claim is allowed.
7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
